## WE ARE FISURA

**FISURA es una marca dinámica, enfocada en buscar tendencias del mundo de la moda y trasladarlos al hogar. Nuestra colección se inspira en productos que descubrimos durante nuestros viajes. Nuestros productos son fruto del trabajo y colaboraciones con diseñadores tanto nacionales como internacionales.** | FISURA is a dynamic brand, focused on looking for trends in the fashion's world and moving into home's deco world. Our carefully curated collections are designed and directed by ourselves with special care to you. Our products are the results of national and international adventurous designers who travel near and far in the name of discovery.

## WE LOVE DECORATION, FURNITURE, LIGHTING.

**Creamos colecciones asequibles, que están siempre en movimiento, si vives en un loft en Barcelona, un cortijo en Sevilla, en la casa de la playa de Formentera o en algún pueblecito de León: estamos seguros de que tenemos algo para ti.** |

FISURA's selection of homewares are as diverse as they are unique, running the gamut from industrial lighting to natural doormats and everything in between. We create affordable collections that are always "in motion", if you live in a loft in Barcelona, in a farmhouse in Sevilla, in a beach house in Formentera or in some village in León: We are sure that we have something for you.

**Esperamos que os guste la colección tanto como a nosotros nos ha gustado crearla!!**

Hope you like the collection as much as we have loved creating it!!

## 1buy1 SOCKS

La idea de los calcetines de **1buy1** ha llegado a nuestra colección tras muchas peleas con la lavadora!

En realidad, **1buy1** significa trasladar la tendencia de combinar estampados y colores, dando personalidad a tus pies, pero siempre con la posibilidad de comprar 2 iguales si un modelo te ha gustado mucho.

Los calcetines **FISURA** están fabricados en Portugal, y el tejido es una combinación de algodón peinado de máxima calidad, poliéster y spandex.

Para facilitar la vida tanto a las tiendas como al cliente final hemos hecho una medida única para chicas y otra para chicos!

The idea of **1buy1** socks has come to our collection after the continuous fight with the washing machine!

The idea is to combine and wear different patterns on your feet, but if you are more classy or you really love our designs you can always buy 2 socks!

Our socks are made in Portugal. Woven is a blend of the best quality cotton, polyester and stretchy spandex.

In order to make life easier for the final customer and you, we have made them in one size that fits all.

CLOUDNOLA

La mayoría de los días es una batalla contra el reloj, pero la culpa es del tiempo y no del reloj. Cloudnola la línea de relojes de Amsterdam comprueba que combinando materiales nobles con tecnología moderna la banalidad de la prisa se desvanece en una colección que tira entre la modernidad y los elementos tradicionales en los que puedes contar.

Tick,Tock – los diseños eternos te esperan.
